THE ALMA MATER

*Dear A. & T., Dear A. & T.,
A monument indeed!
Around thy base with grateful hearts
Behold thy students kneel.
We Bless the power that gave thee birth
To help us in our need.
We'll ever strive while here on earth
All loyalty to yield.*

CHORUS

*With joy, with joy, dear A. & T.
Thy students turn from thee.
To spread their trophies year by year
From Dare to Cherokee.*

II

*Dear A. & T., Dear A. & T.
The signet thou shalt be,
Set by our own great Commonwealth,
Proud boaster of the free;
She'd have the record of her worth
On granite not inscribed,
Nay! Let the children of her birth
Proclaim it by their lives.*

III

*Dear A. & T., Dear A. & T.
Hence forth our aim shall be,
By precept wise and deeds more sure
To bless the State through thee.
The arts of industry to yield
Against the idle foe,
A harvest rich from ripened fields
Of what thy students sow.*

*Greetings To The
Aggie Family

FALL SEMESTER CONVOCATION

Noted civil rights activist and author Dick Gregory was the speaker for the 1974-75 Fall Semester Convocation.

Music was provided by the Concert Band, the University Choir and the Fellowship Gospel Choir. Gregory addressed himself to the duplicity of government and news-gathering agencies, and warned about the danger of complacency in our fast-moving society. He admonished us to "THINK" before accepting anything we hear as truth.

ONCE IN A LIFETIME

E: THE GOOD TIMES

As Miss A&T, A. Michelle Burney, entered the "Night Club", the audience's response was overwhelming. Coronation 1974-75 was as emotional as it was successful. There has never been a coronation of such calibre at A&T, and the change from the past year's motif was heartily welcomed. Witnesses to this spectacular event knew it was probably the best coronation ever. It was truly a "Once In a Lifetime" experience. It was as if someone had turned back the hands of time. The scene was a 1940's nightclub. That scintillating 40's feeling pervaded the air. Against this nostalgic background, elegant ladies and their escorts strutted proudly, flaunting outfits perfectly designed to re-create the look and the mood of that bygone era.

The "Good Times on Parade" was a spectacular display of floats, queens, bands, and other marching units. The themes of the floats projected the "Good Times" to the max.

Scott Hall's interpretation of "The Good Times"

High-stepping bands, brightly decorated floats, beautiful queens, and many other marching units highlighted the 1974-75 Homecoming parade.

International students — unification of diverse cultures.

A record crowd gathered to watch the A & T Aggies meet the Morgan State Bear. The weather was unbelievable, warm and balmy. Everyone brought out his baddest outfits, and the band put on a dynamic show. Only one thing spoiled an otherwise perfect day... we lost the game.

ARLENA MICHELLE BURNEY:

Profile

of

the

Queen

The magnificent First Lady of the Student Body of A&T State University for the 1974-75 term, Miss Michelle Burney, is a native of Ayden, N. C. and truly possesses the attributes of a queen. She is a Senior Business Education major and wishes to pursue a graduate studies in Vocational Education. Michelle is the daughter of Mr. & Mrs. J. C. Burney. The First Lady is a member Delta Sigma Theta Sorority as well as a member of the National Collegiate Association for Secretaries. Michelle has had extensive experience in the duties and responsibilities of a queen, which have so well prepared her for her role as a gracious and versatile Miss A&T. During her freshman year she was chosen as an attendant for Miss Freshman. In her Sophomore year she was elected to serve as Miss Omega Psi Phi and served as an attendant to Miss Delta Sigma Theta her junior year. Michelle's duties range from being a member of the Homecoming Committee to membership on the Planning Committee.

In her scarce and fleeting spare moments, Michelle enjoys swimming, modeling, skating and listening to music. While her smile enchants many, she loves to communicate with people and enjoy lending a helping hand whenever possible. With all this and more, this was indeed a "Once in A Life: The Good Times," for Michelle.

SENIOR AGGIES

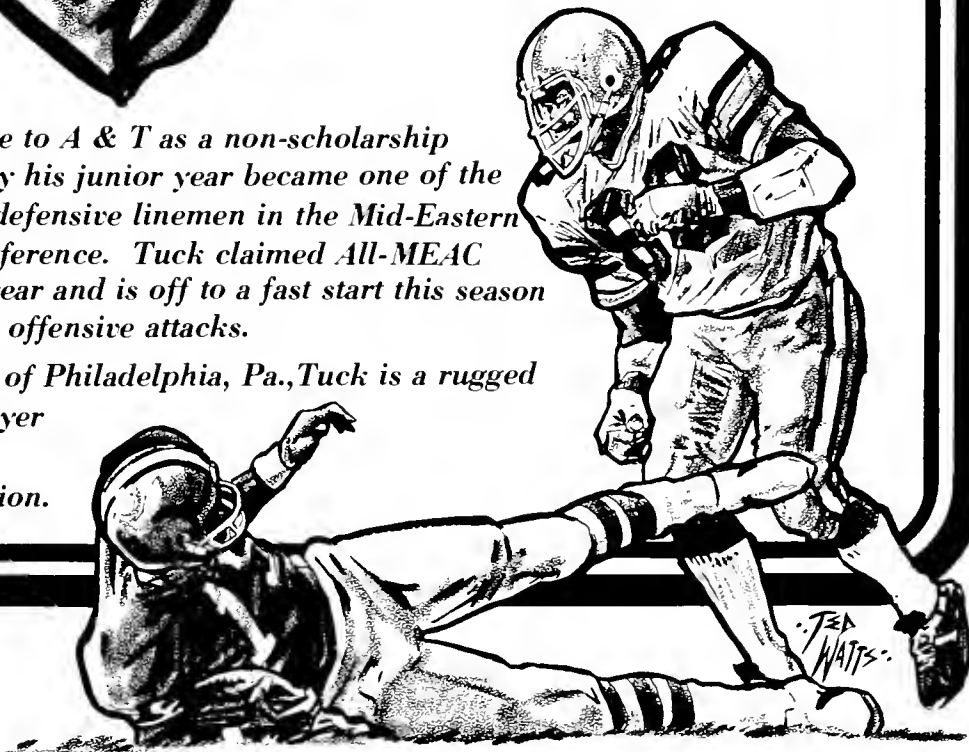

*North Carolina A & T
All-American Candidate*

Ron Tuck

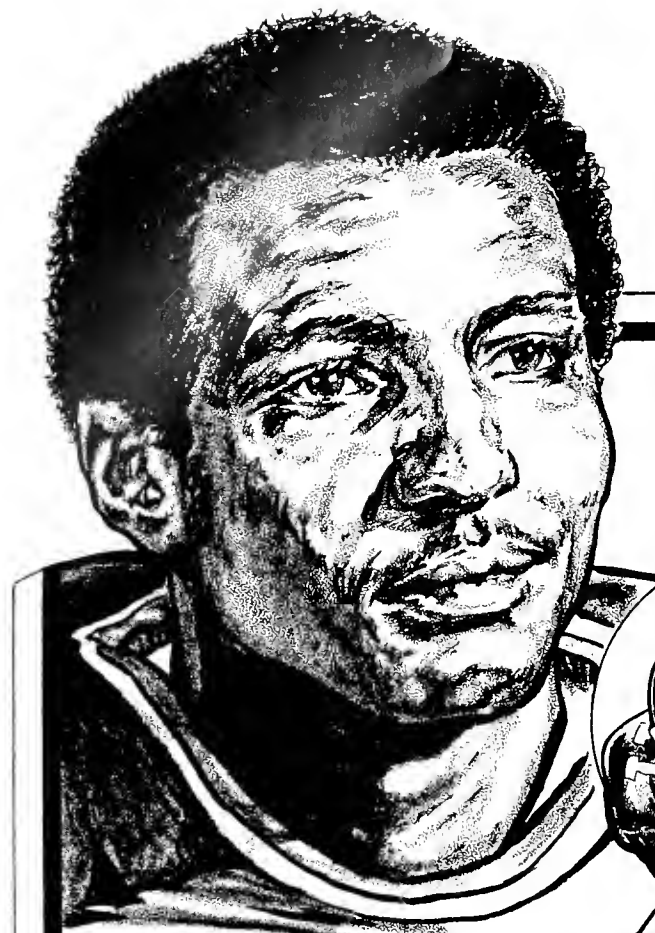

*6-4, 245 lb.
Senior Defensive End*

Tuck came to A & T as a non-scholarship player and by his junior year became one of the most feared defensive linemen in the Mid-Eastern Athletic Conference. Tuck claimed All-MEAC honors last year and is off to a fast start this season demoralizing offensive attacks.

A native of Philadelphia, Pa., Tuck is a rugged football player who thrives on competition.

Paul McKibbins

Senior
6'-2" 194 lb.
Quarterback

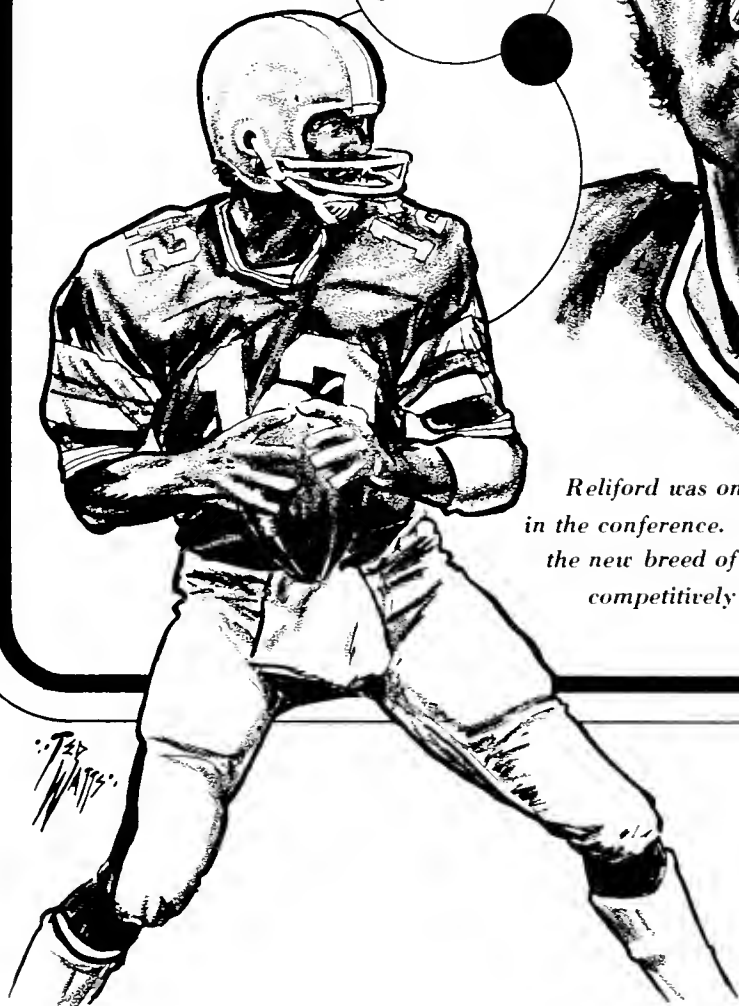

A fine passer and uncanny runner, the Atlanta, Ga. native finished fourth in the MEAC in total offense his junior year. An injury last fall cut short the contributions his ability as a runner had added to the Aggie Veer offense.

Paul is considering a pro football career in the National Football League.

Leonard Reliford

Senior
6'-5", 209 lb.
Quarterback

Reliford was one of the most graceful throwers in the conference. The Macon, Ga. native is one of the new breed of versatile athletes, participating competitively in both football and basketball during his collegiate career.

Darrell Glover

Senior
6'-0", 190 lbs.
Defensive
Back

The Atlanta, Ga. native was a fierce competitor in the Aggie defensive secondary. A spot performer at safety, he was capable of handling all of the defensive backfield assignments. A good student, Glover is a very popular figure on the A & T campus.

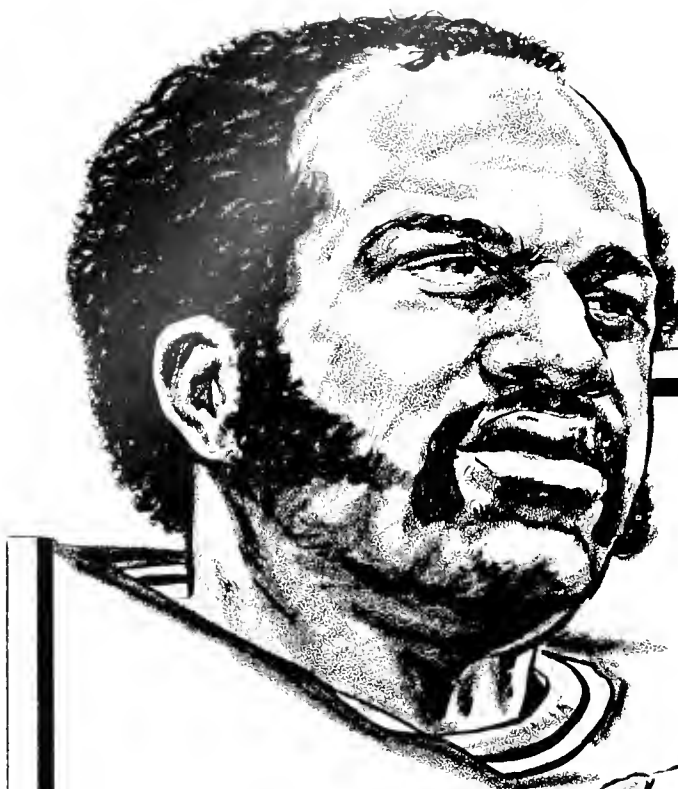

Al Holland

Senior
6'-1", 198 lbs.
Running
Back

He may very well be the best all-around athletic performer in Aggie history. The Roanoke, Va. native finished fourth his junior year among MEAC rushers, and second in punting his senior year. An All-American baseball pitcher, he was tops among NCAA hurlers in strikeouts averaging 14.3 whiffs a game to go with a 0.93 earned run average.

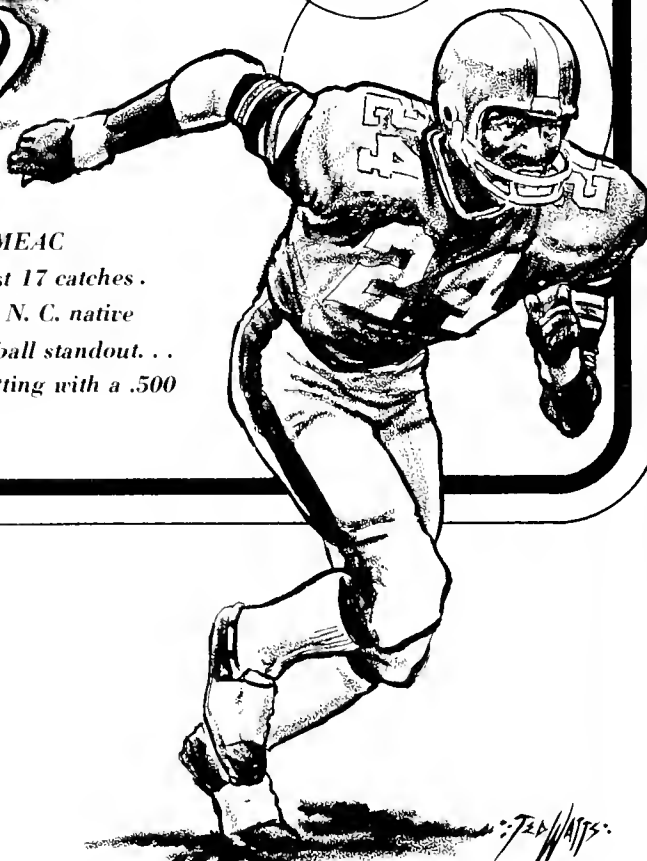

Artis Stanfield

Senior
5'-11"
175 lbs.
Wide
Receiver

A speed merchant, Stanfield was All-MEAC as a junior racking up 336 yards on just 17 catches. Excellent academically, the Burlington N. C. native flashed his athletic versatility as a baseball standout. . . leading the nation in two categories, batting with a .500 average and in stolen bases.

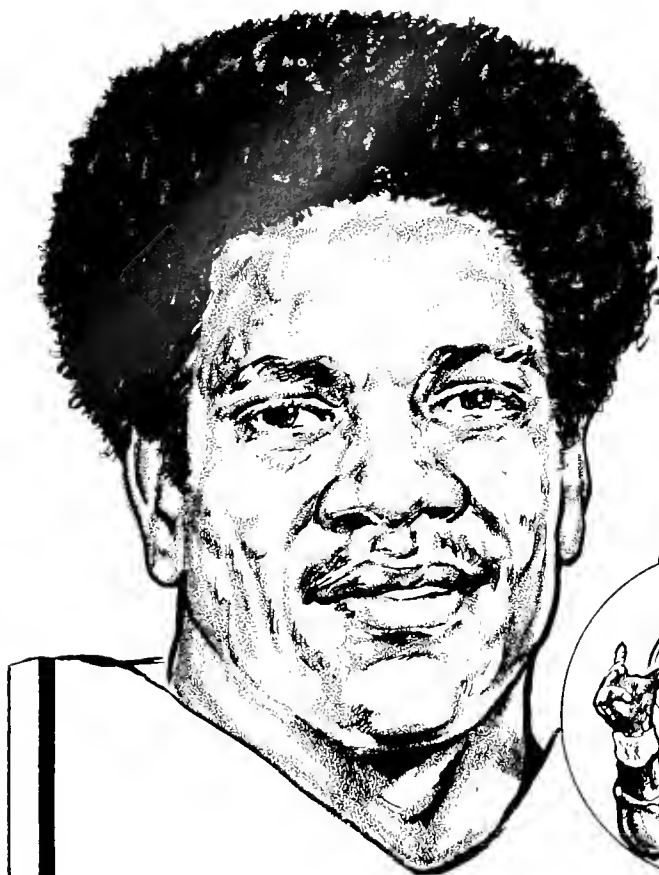

George Ragsdale

Senior
6'-2" 190 lb.
Running
Back

"Rags" was probably the most versatile of the Aggie runners. His size combined with speed (9.7 in the 100) enabled him to get the tough inside yardage while always remaining a breakaway threat to the outside. The Baltimore, Md. native rushed for 498 yds. last fall.

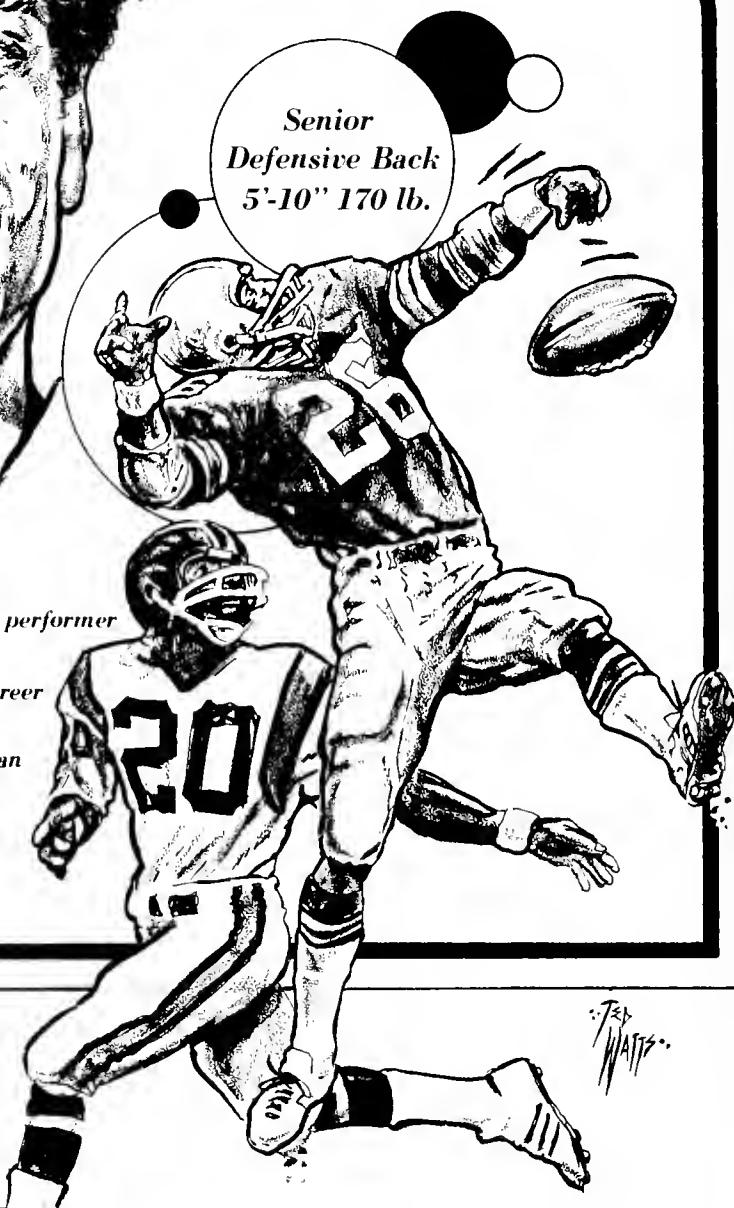

Michael Edwards

*Senior
Defensive Back
5'-10" 170 lb.*

Edwards served as a capable backup performer for the Aggie defensive secondary. Injuries hampered the A & T grid career of the Newport News, Va. native. A popular campus figure, Michael is an active member of Omega Psi Phi fraternity.

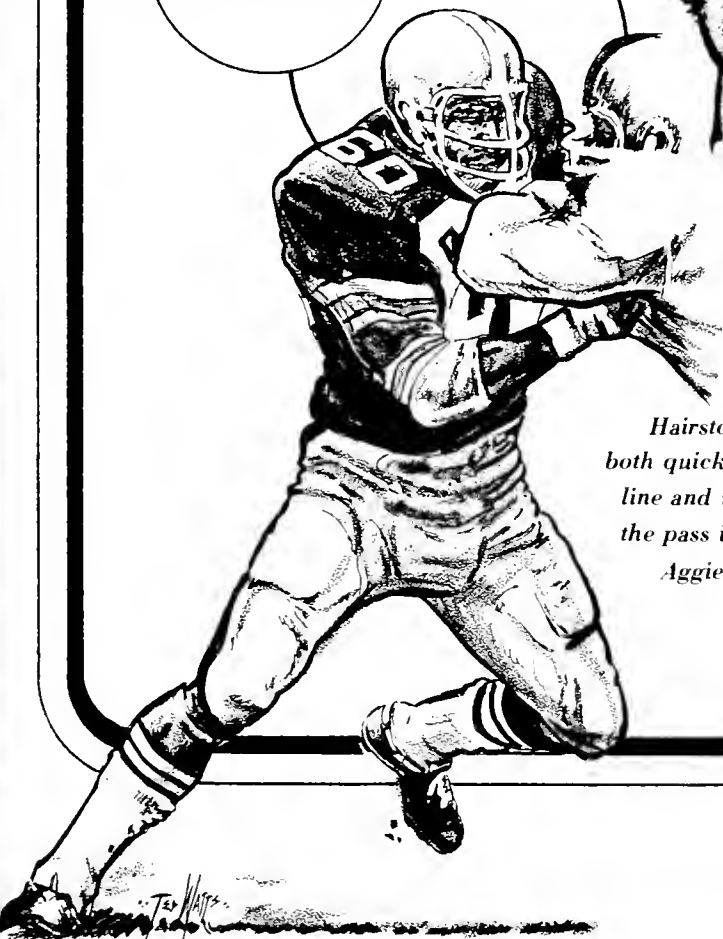

John Hairston

*Senior
Offensive Guard
6'-0" 220 lb.*

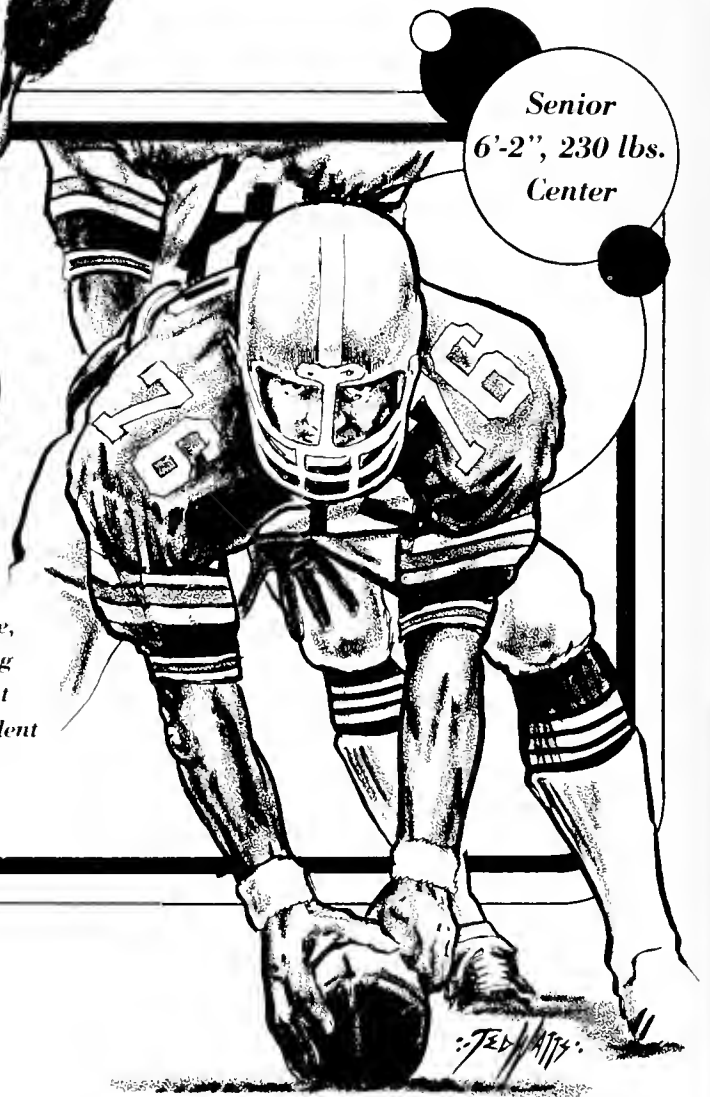

Hairston, a native of Charlotte, N.C., combined both quickness and strength for the Aggie interior line and was one of the best blocking guards for the pass in the MEAC. In "must" situations, the Aggies ran behind John for needed yardage.

Johnny King

Senior
6'-2", 230 lbs.
Center

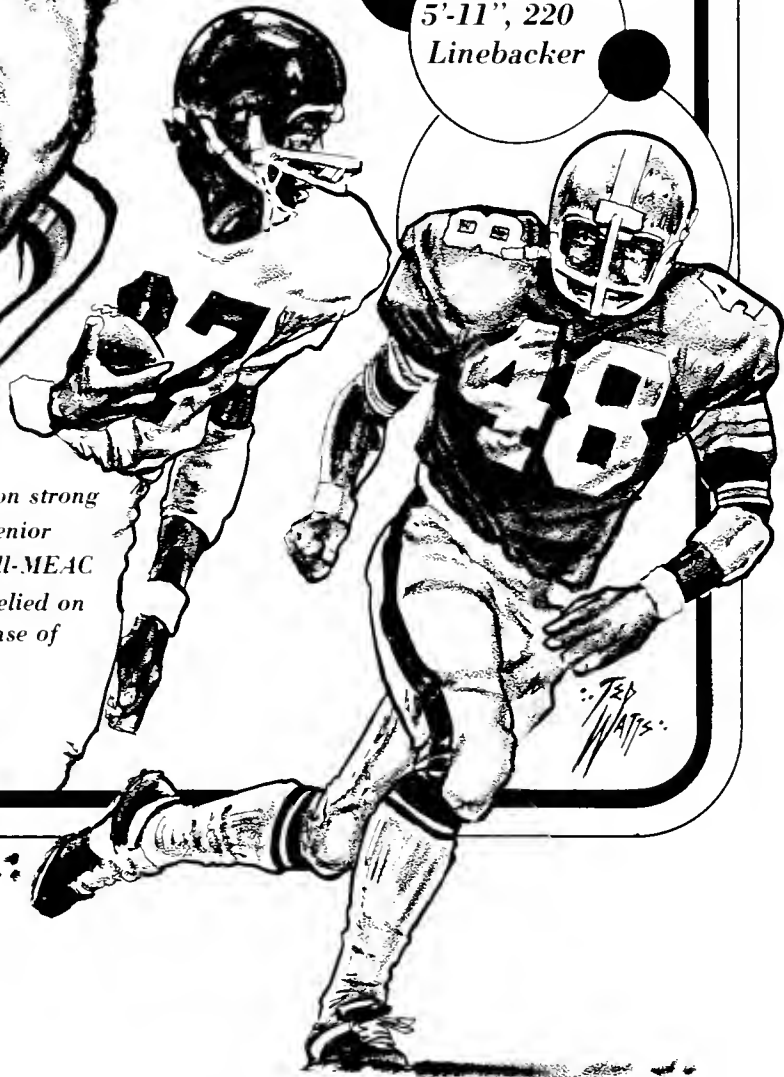

A versatile performer on the offensive line, the Fayetteville, N. C. native was the starting center his senior year. King was at his best in the clutch, primarily noted for his excellent open field blocking and consistent solid performances.

William Blue

Senior
5'-11", 220
Linebacker

The Charlotte, N. C. native came on strong his junior year and capped a fine senior campaign by being named to the All-MEAC team. Smart and aggressive, Blue relied on size and speed to terrorize the offense of Aggie opponents.

Dwight Nettles

Senior
6'-1" 225 lb.
Defensive Tackle-Kicker

A co-captain last fall, Nettles was the backbone of the tough Aggie defensive interior. The physical education major from Siler City, N.C. came to A & T as a Navy veteran, and emerged as a real gridiron leader. His noteworthy ability as the Aggie place kicker will be missed.

Antonio Wilson

Senior
6'-0", 231 lbs.
Defensive
Tackle

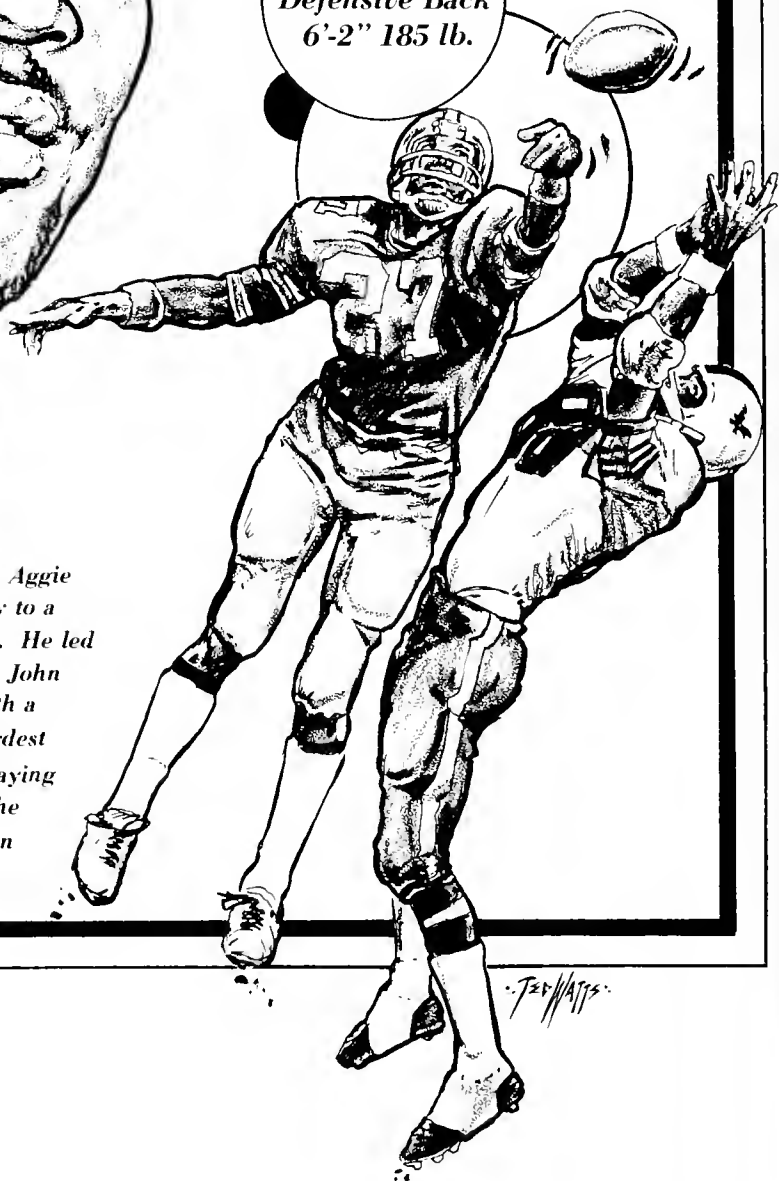

A Shelby, N. C. native, Wilson started three games his sophomore season and has played a key role in the Aggie defensive line ever since. An aggressive defensive tackle, Wilson relied on intelligence and speed to stop the opposition.

John Hampton

Senior
Defensive Back
6'-2" 185 lb.

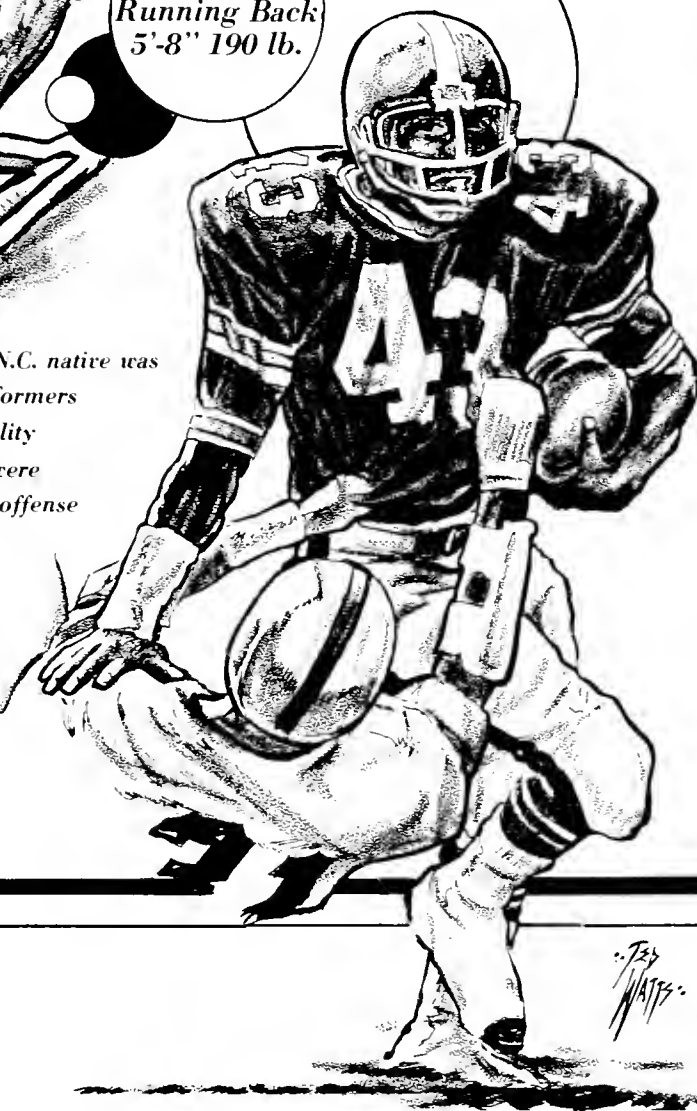

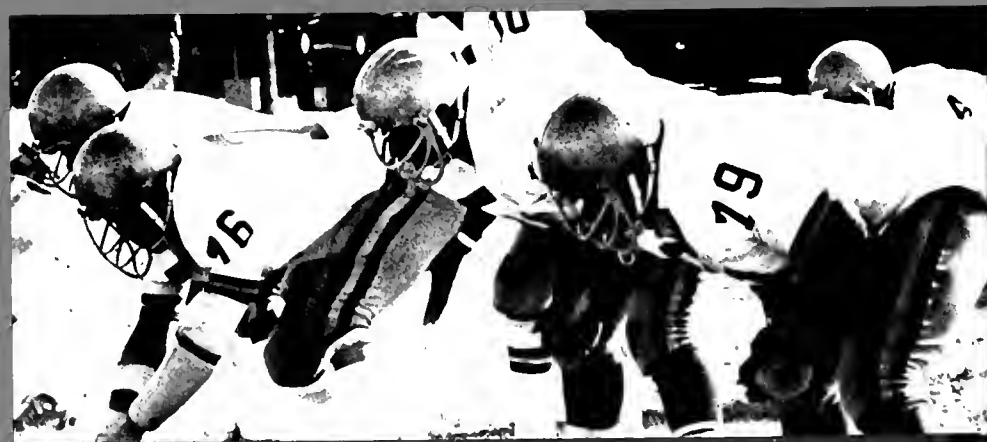

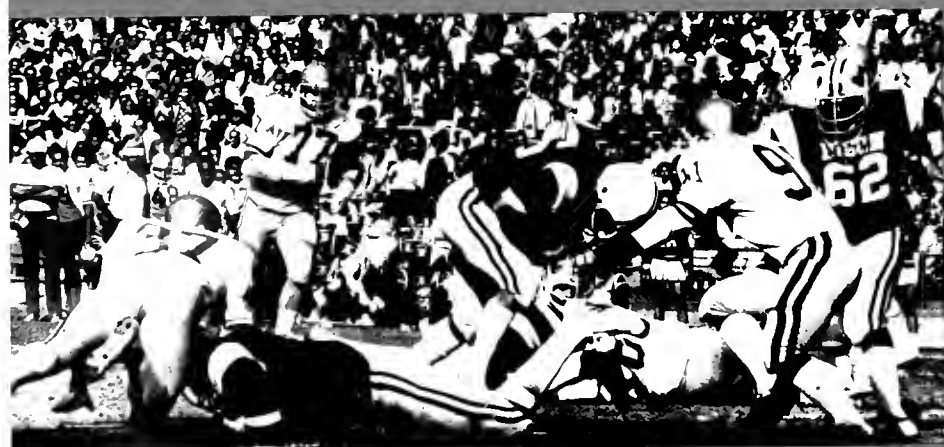

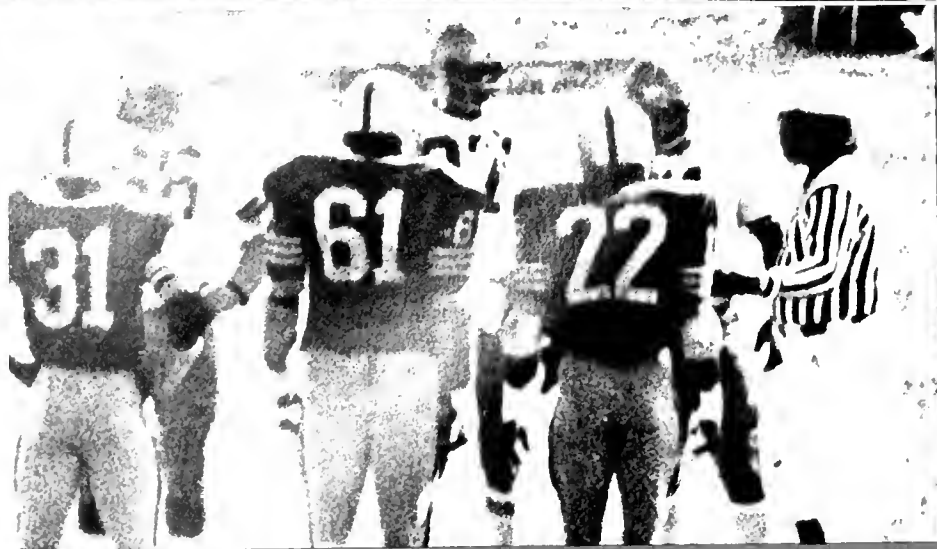

The Valdosta, Ga. native served as Aggie grid co-captain and earned his way to a first team All-MEAC berth last fall. He led the team in interceptions with six. John combined speed (4.6 in the 40) with a reputation for being one of the hardest hitters on the team. He will be playing professional football next fall for the Edmonton Eskimos of the Canadian Football League.

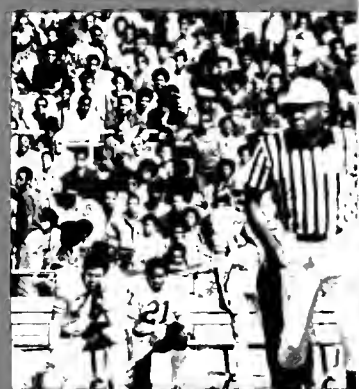

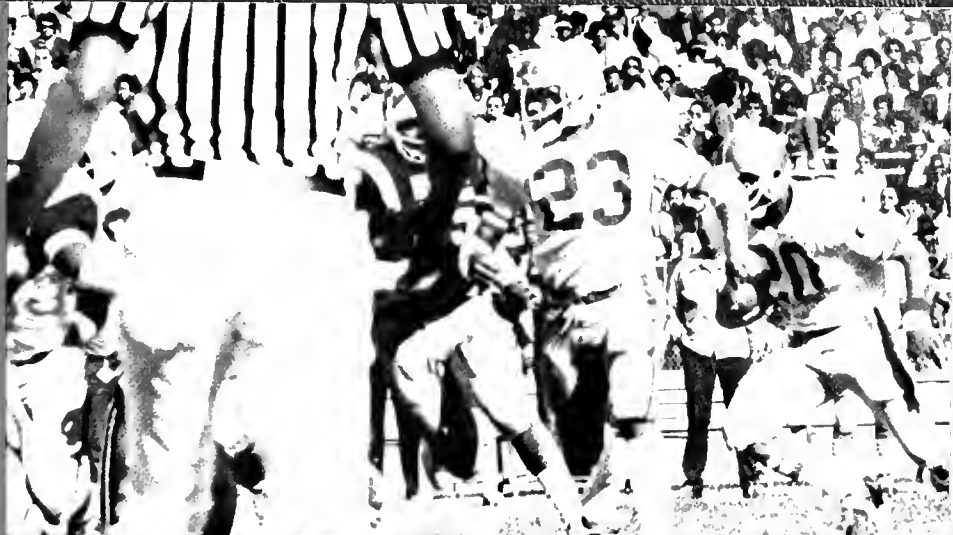

William Medley

*Senior
Running Back
5'-8" 190 lb.*

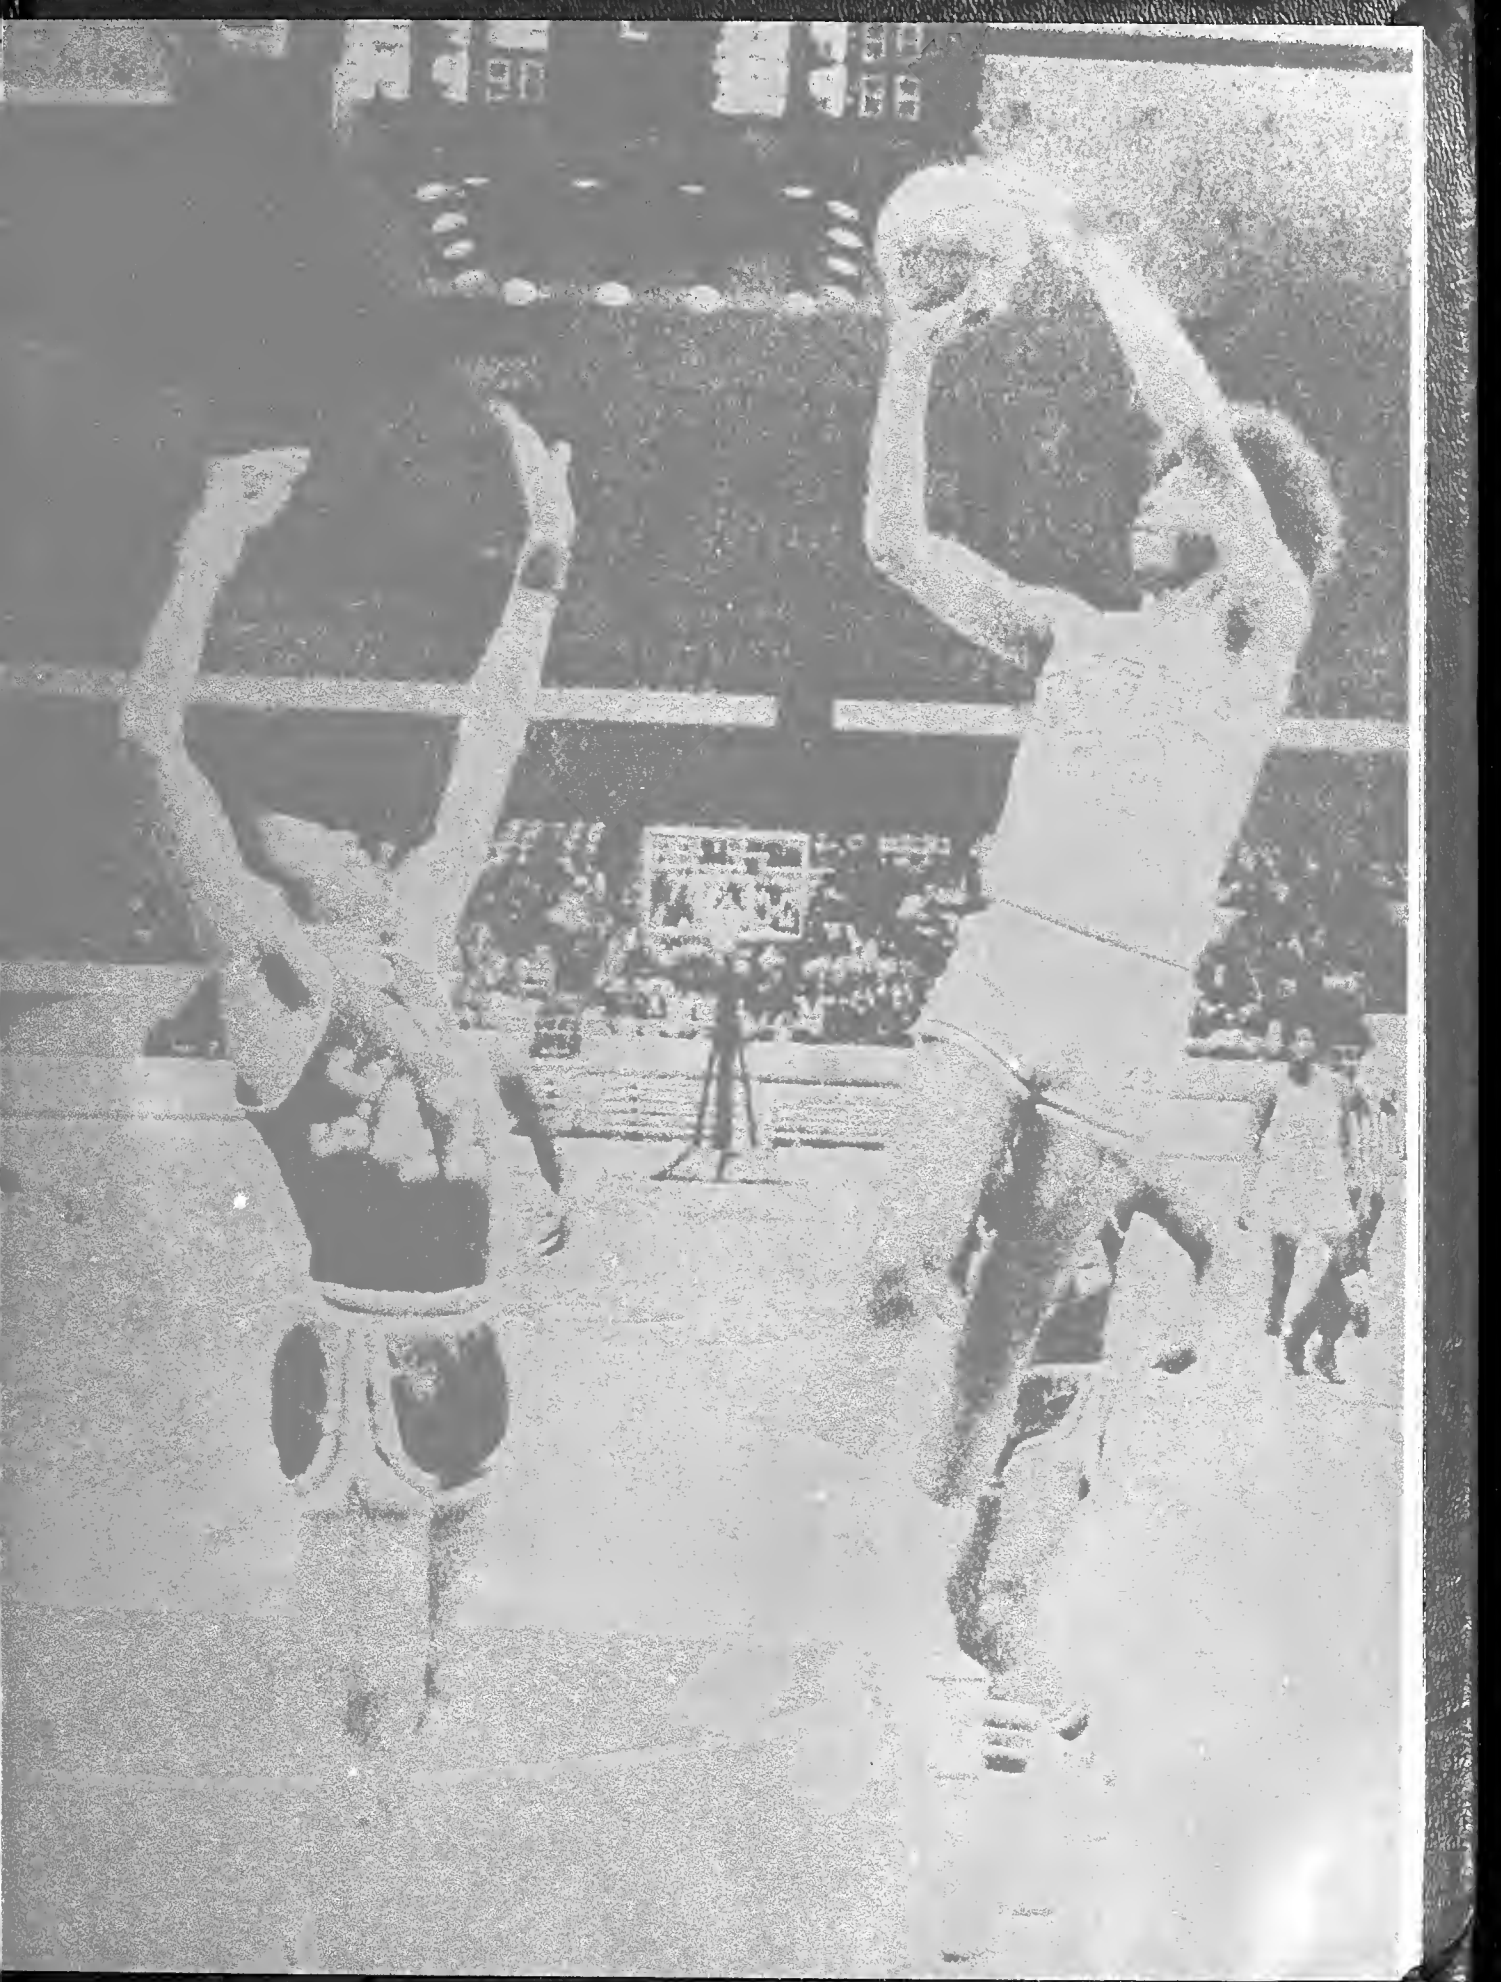

The powerfully built Charlotte, N.C. native was one of the most underrated performers on the Aggie squad. His versatility and experience in the backfield were of great help to the A & T Veer offense last fall.

Executive Branch

Fellow Students:

There is something for us, as students, to pay attention to. Here recently the struggle for equality has come to be rendered in the real terms of the struggle for survival.

We must acknowledge the fact that we are approaching the end of an era in this nation's history, and if we are to see well the dawn of the new one we must help to envision it and be prepared to act in it. There is some baggage to carry over into this new era, but it is up to us to pack this baggage with education, common sense, and experience if we are to survive.

As students we need to be mentally precise and discriminating and define ourselves individually and collectively within the whole sphere of Time, Place, and Circumstance; and therefore project ourselves and our fellow Blacks also. Each of us has a lineage of strength among Blacks and other men. Our job now is to work to seek out this lineage of strength and commence to build upon them.

Therefore as leaders of tomorrow let us be as spirits and aspire; as soldiers let us defend and militate; as workers let us bear, as athletes let us be whole, as ministers and physicians let us lead; as businessmen let us be business like; as scholars, let us be aware and sound; as educators let us be about the leading out; as politicians let us govern, let us legislate; as artists let us create; as philosophers let us comprehend; as humans let us endure; as a people of this nation of people let us fulfill.

An era is ending, and an era is beginning. The task before us is growing daily, but let us as leaders of tomorrow rise to the occasion.

Sincerely,

Bennie L. Glover, President
